Oh my goodness!!! What an awesome weekend of quilting!!! My daughter and I went to the show on Saturday and it was wonderful...where to start! There were gorgeous quilts, unique vendors, and the most beautiful table decorations just to name a few. It was so great to see fellow Cotton Patch members and other fellow quilters. We found ourselves in awe of the beautiful creations on display and had our hands full with goodies we got from the Country Store. My daughter would like to thank Betty C. for taking the time to talk to her about her two amazing quilts and for helping her decide to buy a scarf! We had a great time! Excellent job everyone!
